

The Heist

The Heist is a Burning Wheel scenario about betrayal and trust. It involves nineteen characters, all Roden. The characters represent one “nest.” They’re all related in some way—cousins, brothers, husbands, wives, etc. However, all of the characters have their loyalties divided along different lines. There are factions within the family. The game plays out as those lines surface and are broken or break through the overall bonds of family.

Family, obviously, is one of the core conceits for this scenario. Exploring the bonds therein, pushing the limits of what’s acceptable; that’s what the game is about. It’s likely the players will care about the various other characters at least enough to talk to them before offing them. Outright, bloody violence is fine and dandy, but it won’t mesh well with the Beliefs and numbers provided for the characters. We’re all one big, happy family, right? Not for long.

The following information is intended for the GM. Players are welcome to read it, but they must let everyone know that they read the adventure set up before play.

The Set Up

That Which is Below

When beginning this scenario, I let players know that they’ll be playing a nest of Roden living beneath a decaying and decrepit human citadel. The Roden refer to where they live as, “Below.”

The citadel is run by a powerful magocracy. Should the vile sorcerers discover the Roden, the furry little family would be wiped out by scourging fires in an instant. Therefore, we gotta keep it quiet, you know?

So a few people disappear here and there. A few warehouses collapse, sure. But things like that are bound to happen in such a vast city, right? The Boss keeps things moving, Sweek and The Brain keep the ideas coming.

Handing Out Characters

When giving out characters, I tell everyone generally what's on offer: The bosses, the middle-tier and the workers. Then I start by offering The Boss, Swiker, first. "Who wants to be the boss?" Then Sweek. Then I offer out the workers—Scratchers, Scavengers, Snitches, and spies. Then I go back to the middle management—Grista, The Brain, and company. Finally, I offer up Kuul Fieldwalker as "the mysterious stranger."

Secrets

Most characters in this scenario have secrets. I prefer that the players don't share their Beliefs and their histories here. I like them to come out in play. However, some groups like to get all that out on the table beforehand so they can make sure everyone gets in on the action.

The main secret is that Sweek, Grista, Krim, Sweesh and Shin are all members of a hidden cult in the ranks of the nest. They are trying to convert everyone to their side. And they're trying to do so via an elaborate (and very rat-like) plan.

4 Players

If playing the Heist with four players, I recommend using Swiker, Sweek, Grista and either Squee or The Brain. The conflict centers around leading the boss into the trap.

6 Players

If playing with six players, I recommend using Swiker, Sweek, Grista, Moosh, Thack and Kuul. The conflict centers around the appearance of this mysterious stranger, and who shall lead the nest after his identity is revealed.

8 or 10 Players

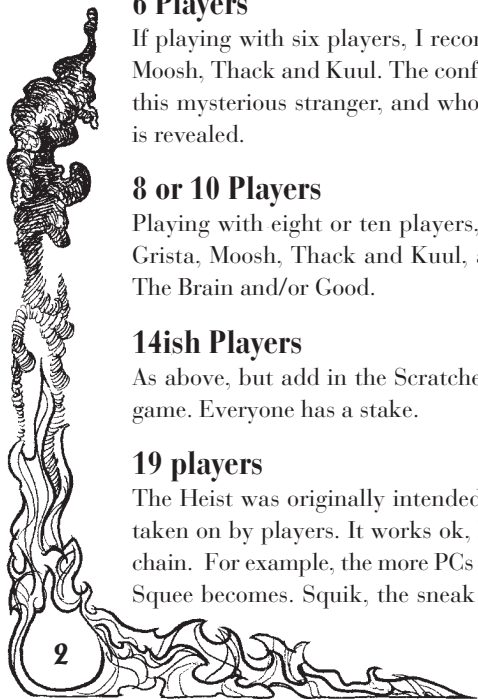

Playing with eight or ten players, I recommend using Swiker, Sweek, Grista, Moosh, Thack and Kuul, and throwing in Shin, Pinky, Squee, The Brain and/or Good.

14ish Players

As above, but add in the Scratchers and the Scavengers. This is a fun game. Everyone has a stake.

19 players

The Heist was originally intended to be played with all 19 characters taken on by players. It works ok, but there are some weak links in the chain. For example, the more PCs that are in the mix, the less important Squee becomes. Squik, the sneak thief, is a weak character and often

gets frozen out, if the player doesn't just completely turtle. Sweesh never seems to ever want to blow anything up. And Fink just ends up causing trouble, but not really contributing to the overall conflict. Having run the game a number of times, I prefer to leave these characters out.

If you are going to try to play it full on, take note of these deficiencies. Hell, I'd even tell the players about them before they take their characters. That way, they can try to compensate in game—rather than just feeling frustrated and lost.

Read the Beliefs

Read over the characters' Beliefs. There's a lot of them, sure. But you have to familiarize yourself with the various goals at play. The conflict of this scenario is contained in the Beliefs of the characters. There are one or two twists, but they exist only to turn the heat up on the Beliefs.

The Deal

Some of the more involved or more complex characters have a paragraph or two on their character sheets detailing back story or additional set up. Make sure the players read this stuff and, of course, make sure you read it!

The Hook

There is no cheese. Everything's great, everything's dandy, but the cheese has run out. The nest must have cheese to survive. That's the hook. What do you do?

Cheese

Cheese is no one set thing. I take pains to explain this before the game gets too far along. Cheese is whatever the players want it to be. Among the Roden, "cheese" is just slang for anything valuable. So it can be food, loot or even power.

The Twists

So everything's fine, everything's great and, when the game begins, The Boss is going to start handing out orders for some cheese to be got. He'll likely tap Sweek and The Brain to concoct some scheme to get at the latest stash. With those two on the job, there'll be cheese in the nest in minutes, right?

Rise Up!

Skitch and Scratch, the Scratchers, are set up to revolt against the bosses from the get-go. They're not going to work for no pay anymore. It's likely that the players will either refuse to work, or do the work for the bosses, but start plotting against them.

The Cult of the Below

The protests from the workers creates ideal conditions for Sweek and his cultists to move in and turn them. If Sweek can turn the workers to his side, he'll control a majority of the nest's workforce. He can then force the Boss to get the work done himself. Perfect!

Of course, that all has to be done in secret. Because a good cultist never reveals himself until he's completely taken over, right?

The Mysterious Stranger

Have Kuul's player sit back for a few minutes and take stock of the situation as the conflict develops. He's literally waiting in the wings. When he comes in, don't let him come in quietly. Make sure he comes in with a grand entrance. He is, after all, a complete freak of nature—albino, ancient, most holy bad-ass rat!

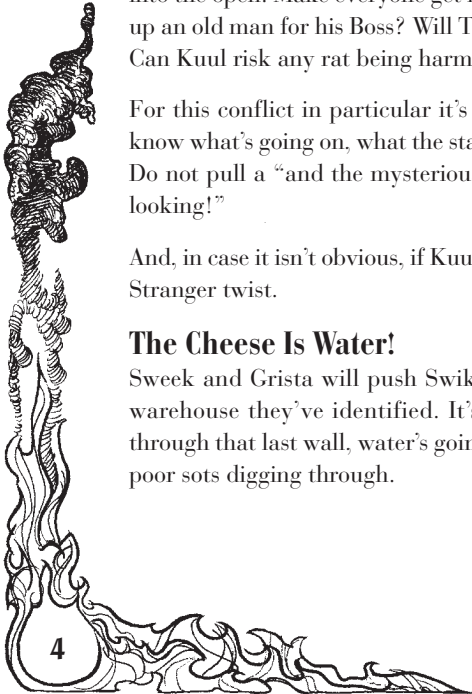

Once he's in the thick of it, Kuul's going to confront The Boss and The Boss is going to try to have Kuul whacked. Force their confrontation out into the open. Make everyone get involved. Is Squee really going to beat up an old man for his Boss? Will Thack let his saviour be treated badly? Can Kuul risk any rat being harmed, when one of them is his son?

For this conflict in particular it's very important to be let each player know what's going on, what the stakes are and how they can participate. Do not pull a “and the mysterious stranger is killed while you weren't looking!”

And, in case it isn't obvious, if Kuul isn't in play, don't use the Mysterious Stranger twist.

The Cheese Is Water!

Sweek and Crista will push Swiker—through their agents—to raid a warehouse they've identified. It's a trap. Once the Scratchers break through that last wall, water's going to come pouring out and drown the poor sots digging through.

This is a delicate matter to play out. It makes a great surprise ending, or a terrific mid-game twist, but either way, you've got to build up to it. Make sure everyone's on board when the digging/tunnelling commences. Make sure Sweek's had enough time to arrange things. And if the Scratchers go and spring the trap prematurely—they secretly dig into the location, for example—make sure they come back half-drowned, howling: "The cheese is water!" (Translation: "It's a trap!") In other words, if the trap is sprung by The Boss or in his presence, those characters are drowned. If the trap is accidentally sprung, those players should come scurrying back pointing fingers.

There's no getting around the trap. There's no sneaking in from upstairs, finding the warehouse on the surface, no digging around, nothing. You know why? Because there's no warehouse, no cheese, nothing but the trap. So either they discover it's a trap and turn back or spring it and get whammered.

Playing the Heist

The Starting Positions

Everyone starts together, in the nest. It's acceptable to get up and talk privately, but the GM should be constantly herding players back to the table and grilling them: "What are you doing? Who are you talking to? Why?!"

Social Conflict Resolution

Don't forget that you can use the Duel of Wits to resolve big ol' social conflicts. Often, in the Heist, Kuul will challenge The Boss to a Duel of Wits over breaking the nest up. He'll want to leave with everyone and the Boss will want everyone to stay. The lines of compromise involve some going and some staying. Who goes and who stays is fuel for great conflict—because we're all family.

In the big Duels, get everyone involved. Helping dice can only be thrown in if you roleplay. Get a group of 19 people shouting at each other and throwing down dice and it's pretty fun. I use either the Group Duel or the Unscripted Duel rules on pages 106 and 107 of the *Burning Wheel*.

Versus Tests

Especially in the big versions of this game, resolve all the conflicts with simple versus tests. Even fights. We had a great fight in one game between Pinky and Thack. Pinky easily won. He could have killed Thack, but he knew that the nest would then turn on him. But if Pinky

Burning Wheel Demo Scenario

didn't kill Thack, the Bruiser was just going to keep coming. So, Pinky's player elected to smash Thack's sword arm, rather than kill him. And then Thack elected to shoot Pinky down with his crossbow. All resolved in two rolls!

Violence

As I mentioned in the Versus Tests section above, don't focus on violence in this game. Use the Simple Martial Conflict rules on page 139 of the *Burning Wheel* and then move on. This particular scenario is not about fighting at all.

Middle Management

Grista and Squee, in particular, have it really tough in this scenario. They are caught between rebellious underlings and tyrannical bosses. Don't let their players bail on the conflict. Encourage them to get in there and fight for their side. If they don't participate, their side will lose. It's that simple.

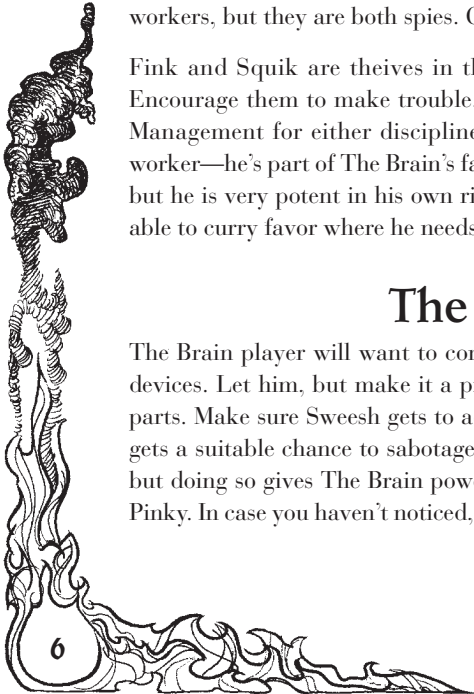

The Workers

Skiff, Scoff, Skitch and Scratch make up the body of the workers. Skitch and Scratch should be encouraged to start agitating from the very beginning. Skiff and Scoff will probably join in. Good and Shin pose as workers, but they are both spies. Good for The Boss, Shin for Grista.

Fink and Squik are thieves in the rabble. They can go either way. Encourage them to make trouble. Then point them out to the Middle Management for either discipline or conversion. Sweesh is a special worker—he's part of The Brain's faction, but he's also a spy for Grista—but he is very potent in his own right. As a bomb-maker, he should be able to curry favor where he needs it.

The Brain

The Brain player will want to construct various insane machines and devices. Let him, but make it a process. Involve the Scavengers to get parts. Make sure Sweesh gets to add a flamethrower and everyone else gets a suitable chance to sabotage it. This may seem counter-intuitive, but doing so gives The Brain power—it gives him a reason to dispatch Pinky. In case you haven't noticed, Pinky is a terror. He is easily a match

for the Bruisers. By keeping Pinky close and in control, the Brain controls a powerful faction of three—himself, Sweesh and Pinky—who can tip the balance of nearly any conflict.

The Twins

It's not terribly explicit in the character write-ups, but Swiker and Sweek are fraternal twins. They look similar, but not exactly the same. They are both Kuul's son. Kuul's vision is a direct relation from Aecer that one son will attempt to kill the other. Of course, Kuul doesn't know that at the beginning of the game.

The really tough thing here, for the GM, is to hint to Kuul that both Swiker and Sweek are his sons, but not to do so too soon or too heavily-handedly. Remind Sweek and Swiker that they are brothers—born of the same mother. Tell them, when it comes up, that they never knew their father.

As Kuul gets increasingly frustrated and as the rats get more and more violent, remind him that one of these creatures is his son! And until he can determine who it is, no one can be harmed or exiled or anything.

Faith and the Roden

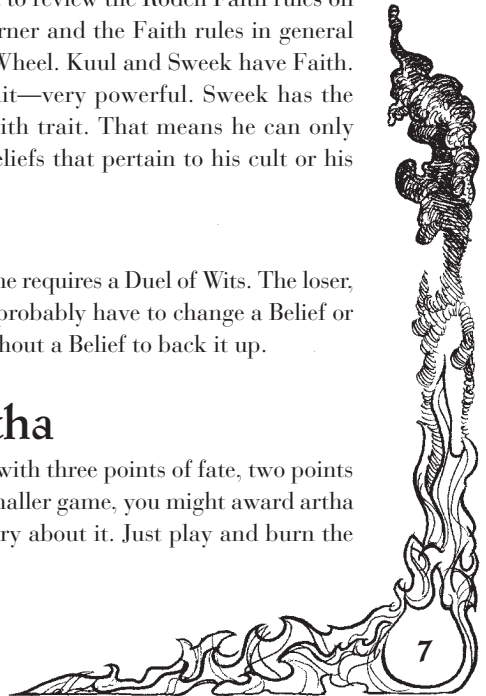

Before playing this scenario, it's best to review the Roden Faith rules on page 125 to 130 of the Monster Burner and the Faith rules in general on page 230 to 235 in the Burning Wheel. Kuul and Sweek have Faith. Kuul has the standard Faithful trait—very powerful. Sweek has the slightly less powerful Visionary Faith trait. That means he can only affect himself or characters with Beliefs that pertain to his cult or his worship.

Conversion

Converting another Roden in the game requires a Duel of Wits. The loser, depending on the compromise, will probably have to change a Belief or two. Faithfulness is meaningless without a Belief to back it up.

Artha

All of the characters are pre-loaded with three points of fate, two points of persona and a deeds point. In a smaller game, you might award artha in play. In a bigger game, don't worry about it. Just play and burn the artha as a finite commodity.

The End

This scenario ends when Kuul leads the majority of the Roden away, Sweek takes over or The Boss is killed in the trap. You're welcome to play on after that, but the BITs for the characters were only meant to conflict on those three main outcomes. You are welcome, of course, to change them and play on based on the outcome of your particular game. Maybe Sweek takes over and builds his cult so that he might challenge the sorcerers for control of the city? Maybe Swiker manages to put down his challengers but now has to make sure his weakened clan survives against the depredations of other nests? Perhaps Kuul manages to lead his sons to the promised land, but the Priests of Aecer won't have them back?

The Unimportant Bits

Maps, floor plans, traps or anything else that gets in the way of the players invoking their Beliefs and engaging in conflict have no place in this scenario. If the players need something in the nest or down in the tunnels, let them have it. If there's conflict surrounding it, call for Tunnels-wise or Below-wise tests.

Actual Play

Have fun, and be sure to post your actual play experiences using this demo on burningwheel.org, indie-rpgs.com or rpg.net.

Practice Log

The Deal— Swiker is the boss of this nest of roden. He's the mastermind. He thinks of all the good ideas and makes sure they get done.

Swiker's got two conflicting beliefs: gotta keep the family together vs nobody crosses me. These are meant to make life difficult for the player. Any time some one in the nest crosses him, Swiker's got a tough decision to make.

Swiker runs his nest like a little mafia family. He's got his crew of made men that keep everyone in line while they all try to score big cheese.

At the moment, the cheese has just run out. But Swiker's got a line on a new heist. His brother Sweek's

Gear and Possessions

Some nice clothes, a stiff leather breastplate concealed beneath his shirt, a concealed knife and a club that he whacks around in his hand like a baton.

Spies have shifted out a fat warehouse full of cheese for the taking. So he's got to get the gang together—picks and shovels and a couple of crossbows, just in case—and get up there and take what's rightfully his.

As always, gotta do it quiet like so's not to let them above figure out who's really behind all the disappearing cheese.

Once he gets the cheese back to the nest, Swiker's thinking about retiring. He's getting on in years. Maybe it's time to let go of the reins? Maybe let his sons take over?

Speaking of which, as the scenario begins, Thack, the eldest son, has just returned to the nest from his 3 year walkabout. He's been acting strange—probably feels out of place. Be sure to get him comfortable with the family again.

Practice Log

When FIELD WALKER WAS A YOUNG MOUSE, HE FELL IN LOVE WITH AN EQUALLY YOUNG REFUGEE FROM THE BELOW WHO HAD RECENTLY ARRIVED IN THE FIELDS FROM BELOW. HE GOT HER PREGNANT. HIS PARENTS WERE FURIOUS! AND FORCED HIM TO JOIN THE ORDER TO ATONE FOR HIS TRANSGRESSION. HIS YOUNG LOVE FLED IN TERROR. FLED BACK TO THE TUNNELS BELOW THE CITY.

THAT WAS 35 YEARS AGO. FIELD WALKER HAS SPENT THOSE YEARS ALTERNATELY TRYING TO FORGET HER AND SEEKING HER OUT. THOUGH HEALTHY AND STRONG, FIELD WALKER IS OLD AND SOON TO PASS ON. BEFORE HE GOES, HE WANTS TO FIND HIS CHILD AND BE REUNITED WITH HIS ESTRANGED FAMILY.

HE HAS SOUGHT AND PRAYED MANY A LONG HOUR. HIS VISIONS HAVE AT LAST LEAD HIM TO THESE STINKING SEWERS BELOW THIS FESTERING CITY. HIS VISIONS HAVE SHOWN HIM RAT, POWERFUL AND STRONG, WHO MUST BE HIS LIVING. BUT IN THE VISION, THIS RAT IS TRAPPED AND

DROWNING. IF FIELD WALKER DOESN'T INTERVENE, EVERYTHING HE SOUGHT FOR WILL BE SHUFFLED OUT!

THE MOST PUZZLING THING ABOUT THE VISION IS THAT IT APPEARS THAT HIS SON—THE SAME WHO IS DROWNING—SETS THE TRAP: HE IS SEEN SHUTTING THE STONE SEALS AND OPENING THE VALVES SO THE WATER CAN RUSH IN! BUT THEN IT IS HE WHO IS TRAPPED AND DROWNS.

FIELD WALKER ALSO HAS A CONVERT WITH THE MASTERMIND'S RANKS—THE YOUNG BRUISER, THACK. HE MET THE ONE YOUNG A FEW YEARS AGO WHEN HE AND HIS CORSAIRS WERE OUT RAIDING. THE BELOW ROYEN CONVERTED AND TOLD FIELD WALKER OF HIS PEOPLE BENEATH THE CITY. ONCE THE VISIONS BEGAN, FIELD WALKER KNEW THAT THACK HAD BEEN SENT BY HEAVEN AND HE MUST FOLLOW HIM TO HIS DESTINY.

Epiphany (permanent shade shift)

3 Deeds points, 10 Persona points and 20 Fate points

Gear and Possessions

DARK CLOTHES (SO THE BLOOD DOESN'T SHOW), LEATHER SKULLCAP, LEATHER SLEEVES, AND A LEATHER BREASTPLATE, RIVEN THROWING BLADES (+1D TO THROWING!)

YOU ARE A MEMBER OF THE SECRET SOCIETY. SWEEK IS YOUR SPIRITUAL LEADER AND GUIDE. YOU ARE THE CULT'S MURDERER. YOUR COVER IS THAT YOU ARE A BRUISER. REVEAL THIS TO NO ONE EXCEPT THOSE YOU KNOW TO BE IN THE CULT!

KRIM AND SHIN SCOUTED OUT THE LOCATION FOR THE TRAP. IT'S IN AN OLD DUCT THAT'S SEALED ON ONE END. ONLY A FEW RATS CAN STAND IN THE SPACE WHERE THE DIGGING MUST TAKE PLACE. SO THE TRICK OF IT IS MAKING SURE THE OTHER SIDE OF THE TUNNEL CAN BE BLOCKED SO SWIKER AND HIS GOONS CAN'T ESCAPE. THE BRAIN WOULD BE AN EXCELLENT CANDIDATE FOR DEVISING SOME SCHEME, BUT HE'S LOYAL TO THE BOSS. PERHAPS HE CAN BE CONVERTED.

ALSO, KRIM KNOWS THAT SWEEK TOLD GRISTA THAT SWIKER WOULD NOT BE HURT IN THE TRAP! BUT SWEEK TOLD KRIM HIMSELF TO MAKE SURE SWIKER WOULD DIE—THOUGH IT HAD TO LOOK LIKE AN ACCIDENT.

Practice Log

GRISTA IS A POWERFUL RAT, THOUGH SHE TRIES NOT TO APPEAR THAT WAY TO THE REST OF THE NEST. IN TRUTH, SHE'S THE MASTERMIND'S GIRL, MOTHER OF THE BRUISERS AND WILLING SERVANT OF THE VISIONARY AND HIS SECRET SOCIETY.

SHE IS IN A SWEET POSITION, PERHAPS MORE POWERFUL THAN EITHER OF THE TWO WHO CLAIM POWER OPENLY. ALL SECRETS PASS THROUGH HER AND SHE CONTROLS WHO IS BROUGHT INTO THE SOCIETY.

SWEET HAS TOLD HER THE TIME HAS COME FOR THE SOCIETY TO MAKE ITS PRESENCE FELT IN THE NEST. IT'S TIME TO OVERTHROW SWIKER.

Epiphany (permanent shade shift)

3 Deeds points, 10 Persona points and 20 Fate points

Gear and Possessions

SIMPLE, COMMON CLOTHES, A PAIR OF WICKED KNIVES, A BAG OF MAKE-UP, DYES, EXTRA FUR, FALSE TEETH AND WHISKERS FOR DISGUISE.

GRISTA BEARS SWIKER NO REAL MALICE. HE'S THE FATHER OF HER TWO SONS. SO SHE HAS EXTRACTED A PROMISE FROM SWEET THAT SWIKER WILL NOT BE HURT, HE'LL BE EXILED WHEN THE SOCIETY TAKES OVER.

GRISTA HAS DIVIDED LOYALTIES, BUT SHE IS A DEVOUT MEMBER OF THE SECRET SOCIETY. SWEET IS HER SPIRITUAL LEADER AND GUIDE. SHE IS THE CULT'S PERVERTER. HER COVER IS THAT SHE IS ARE THE NEGOTIATOR'S ASSISTANT AND THE BOSS' GIRL! SHE IS SECOND IN COMMAND. IT IS HER JOB TO CONVERT OTHER RODEH INTO THE CULT. REVEAL THIS TO NO ONE EXCEPT THOSE YOU KNOW TO BE IN THE CULT!

Practice Log

It's time for the SCRATCHERS to rise up AND TAKE WHAT'S RIGHTFULLY THEIRS. TOO LONG AS THE MASTERMIND TAKEN THEM FOR GRANTED—PAID THEM NOTHING FOR ALL THEIR HARD WORK. WELL, THEY'RE NOT GOING TO TAKE IT ANY MORE. THEY'RE NOT GOING TO GO ON THIS HEIST UNTIL THE MASTERMIND AGREES TO GIVE THEM A BIGGER SLICE OF THE CHEESE. OF COURSE, THE SCRATCHERS HAVE NO VOICE OR POWER WITHIN THE NEST. PERHAPS IT MIGHT BE WISE TO FIND SOME ALLIES BEFORE SHOOTING ONE'S MOUTH OFF.

Practice Log

It's time for the SCRATCHERS to rise up AND TAKE WHAT'S RIGHTFULLY THEIRS. TOO LONG AS THE MASTERMIND TAKEN THEM FOR GRANTED—PAID THEM NOTHING FOR ALL THEIR HARD WORK. WELL, THEY'RE NOT GOING TO TAKE IT ANY MORE. THEY'RE NOT GOING TO GO ON THIS HEIST UNTIL THE MASTERMIND AGREES TO GIVE THEM A BIGGER SLICE OF THE CHEESE.

Practice Log

-> YOU ARE A MEMBER OF THE SECRET SOCIETY! SWEET IS YOUR SPIRITUAL LEADER AND GUIDE. YOU ARE THE CULT'S SHADOW (SPY). YOUR COVER IS THAT YOU ARE A SIMPLE SCAVENGER. REVEAL THIS TO NO ONE EXCEPT THOSE YOU KNOW TO BE IN THE CULT!

SHIN USED TO BE A LOWLY SCAVENGER, BUT NOW HE'S THE CULT SHADOW. HE'S THE LOWEST ON THE TOTEM POLE, THE MOST RECENTLY INDUCTED, BUT HE DOES THE LION'S SHARE OF THE WORK. SPYING ON HIS BROTHERS AND SISTERS IN THE SCAVENGERS AND SCRATCHERS IS HARD WORK! AND DANGEROUS, TOO. SQUEE, SQUIK, MOOSH AND FINK WOULD PUT OUT HIS EYE IF THEY KNEW WHAT HE WAS DOING.

Artha and Epiphanies

Fate: Open-end 6s
Persona: +1D per point
Deeds: Double dice or reroll failure

Ability _____
Total Artha Spent (F) (P) (D)

Ability _____
Total Artha Spent (F) (P) (D)

Epiphany (permanent shade shift)

3 Deeds points, 10 Persona points and 20 Fate points

Gear and Possessions

completely non-descript clothes, plus rope and harness for climbing

AND JUST WHAT IS HE DOING? TRYING TO PAVE THE WAY FOR THE GLORY OF ALL RATS. YOU SEE, THOSE ABOVE KEEP THE RATS DOWN. SWIKER'S VISION, IT'S TOO NARROW. HE WANTS TO LIVE LIKE VERMIN. THAT'S NOT RIGHT. THE RODEH CAN RULE THIS CITY FROM BELOW—CONTROLLING THE WATER, THE FOOD, THE STREETS AT NIGHT. THEY CAN CHOKER THE LIFE OUT OF IT UNTIL IT SUBMITS. BUT SWIKER DOESN'T SEE IT. SO IT'S TIME FOR A NEW LEADER. AND THAT WOULD BE THE MOST HOLY SWEET. HE'S A TRUE VISIONARY. HE SEES THE PATH TO RODEH VICTORY!

SO SHIN HAS BEEN BUSTING HIS RAT ASS TO MAKE SURE THAT SWEET CAN TAKE OVER. IT'S GOT TO BE SMOOTH. GOTTA LOOK AND FEEL RIGHT. OTHERWISE THE OTHER RATS'LL RESIST. AND, TRUTH IS, WE NEED THE RATS FOR THE CULT!

SO SHIN AND KRIM HAVE SCOUTED OUT THE PERFECT TRAP—A LOW CEILINGED OLD SEWER THAT LEADS INTO AN AQUEDUCT OR CISTERN. SWEET HAS ALREADY TOLD SWIKER THAT'S AN EASY IN TO A CHEESE WAREHOUSE. ALL THAT'S LEFT IS TO GET HIM THERE SUPERVISING THE DIGGING. ONCE THE WATER COMES DOWN, IT'LL BE ALL OVER.

Weapons Mechanics

Incidental— 1/2 Mark (round up) Mark— Power stat exponent + Weapon Power exponent.
Superb— 1.5x Mark (round down)

Character Index

Name **SWEER the Visionary** Stock **RODEN BELOW** Age **36**
 Alias _____ Homeland _____ Features _____

Beliefs

F: Those who stand in my way shall be crushed.
 P: I am destined to rule this nest and all of the below with it!
 D: I must quietly eliminate my brother in order to take over.

Instincts

F: Always add a poem when you can.
 P: Never destroy what can be used later for gain (Always attempt to parley)
 D: Never reveal the existence of the cult to the uninitiated.

Traits

Aecer's Likeness **LARGE EARS** Tunnel Vision
 Coat of Fur **PACKRAT** Skulking
 Communal **SKITTISH** Obsessed
 Enlarged Incisors **VOW OF SECRECY** Megalomaniac
 Quick-Blooded (+2 OB SOCIAL SKILLS AGAINST) **CALM DEMEANOR**
 Tail **FAITHFUL!**

Relationships

SWIKER - Mastermind of the Nest and poor benighted brother (the fool).
KRIM - Cult Assassin/Murderer. He poses as a Bruiser.
GRISTA - Trusted and valued assistant and messenger. Swiker's girl.
SHIN - Cult shadow/spy. He poses as a scavenger and thief.
SWEESH - My spy in the Brain's Camp. He's also the cult arsonist.
SQUEE - He's soft-hearted and wear-willed, but loyal to Swiker. Perhaps he can be converted.

Practice Log

START HERE

THE DEAL— SWEER is the HEAD OF A CULT CALLED THE SOCIETY. IT'S A SUPER SECRET CULT! IT'S MEMBERS WORSHIP HIM AS A GOD. WHY? BECAUSE SWEER HAS DIVINE VISIONS AND HE CAN USE HIS FAITH TO INFLUENCE ANY RODEN WHO BELIEVES IN HIM.

THAT'S THE RUB. HE'S GOT TO GET THEM TO BELIEVE IN HIM. THE MORE WHO BELIEVE IN HIM, THE MORE POWERFUL HE BECOMES AND THE MORE HE CAN AFFECT THEM.

SWEER'S TWIN BROTHER, SWIKER, IS THE BOSS OF THE NEST. IF SWIKER DISCOVERS SWEER CHALLENGING HIM, HE'LL KILL HIM. SO THE CULT MUST EXIST IN SECRECY UNTIL ALL OF THE NEST ARE MEMBERS.

HOWEVER, SWEER HAS SEEN HIS CHANCE TO TAKE OVER. ONCE AGAIN, SWIKER HAS EATEN ALL THE CHEESE AND LEFT THE NEST WANTING MORE. SO SWEER PLANTED INFORMATION IN HIS EAR ABOUT ANOTHER FAT

Artha and Epiphanies

3 2 1

Fate: Open-end 6s
Persona: +1D per point
Deeds: Double dice or reroll failure

Ability _____
Total Artha Spent (F) (P) (D)

Ability _____
Total Artha Spent (F) (P) (D)

Ability _____
Total Artha Spent (F) (P) (D)

Ability _____
Total Artha Spent (F) (P) (D)

Ability _____
Total Artha Spent (F) (P) (D)

Ability _____
Total Artha Spent (F) (P) (D)

Ability _____
Total Artha Spent (F) (P) (D)

Ability _____
Total Artha Spent (F) (P) (D)

Epiphany (permanent shade shift)

3 Deeds points, 10 Persona points and 20 Fate points

Gear and Possessions

NEGOTIATOR CLOTHES, VISIONARY ROBES.

CHEESE WAREHOUSE RIFE FOR THE TAKING. HE'S JUST GOT TO GET HIS BOYS TOGETHER AND SET UP A DIG IN A DISUSED SEWER.

THE HITCH? IT'S A TRAP. SWEER HAS TOLD HIS BROTHER WHERE HIS MEN NEED TO DIG IN ORDER TO GET INTO THE WAREHOUSE. BUT THEY'LL BE DIGGING INTO AN AQUEDUCT. ONCE THEY CRACK THE STONE, THE WATER WILL COME POURING OUT AND DROWN THEM. SWEER WILL CLAIM IT WAS AN ACCIDENT AND TAKE OVER THE NEST.

THE DOUBLE HITCH? SWEER HAS TO MAKE SURE THAT SWIKER AND HIS BOYS DROWN. BUT THAT NO ONE ELSE DOES! NO POINT IN RULING A NEST WITH NO RATS.

Weapons Mechanics

Incidental— 1/2 Mark (round up) Mark— Power stat exponent + Weapon Power exponent.
Superb— 1.5x Mark (round down)
